

# COVID – 19 Resource List

This resource list was compiled on April 23, 2020. Many of these guidelines and resources are routinely updated, so it is important to check for recent changes. The CDC materials are generally available in multiple languages by clicking on a link just below the title on the left. The NIEHS and OSHA sites also have Spanish versions of the materials. Many of the CDC materials are also available in PDF format by clicking on “printer friendly version, PDF icon”. You can click on the active links, in blue and underlined, to get to the document if you are viewing this list on a computer, smart phone or tablet.
